"I was directed to bring Evan up to speed as a Game Analyst. He is a fast learner and adapted quickly to what was expected of him. Evan is also a fast worker, turning in his workload ahead of schedule. In his brief employment at Hasbro, he did excellent work and would have become permanent if he had chose to do so."

— **Ming Chan**, *Game Analyst at Hasbro, Hasbro*, managed Evan at Hasbro, Inc.

"Evan has an impressive working knowledge of video game development and was a valuable part of our team during his time at Hasbro. He was very passionate about our brands and that shined in his work as Gameplay Analyst. Although we did not work together for very long, I feel that Evan contributed a great deal in a short amount of time. He is a team player and a great guy to know. I would confidently recommend Evan to any company interested in hiring him."

— **Richard Zambarano**, *Senior Designer, Hasbro*, worked directly with Evan at Hasbro, Inc.

"Evan is a motivated, ambitious and knowlegable worker. He knows a lot about several industries. In the time we have worked together in the same group, we have become friends. Evan is always looking for ways to help people in his group, and any group would be lucky to have him."

— **Michael Callahan**, *Associate Producer, Hasbro*, managed Evan indirectly at Hasbro, Inc.

"Evan was a fantastic partner during his time as an Analyst on our Digital team. Knowledgeable from the start, he immediately jumped into the role not only to evaluate experiences but also to report his thoughts in a professional manner. Complementing this skill and personality is the ability to apply his existing expertise as a springboard into researching and distilling new projects and opportunities to help his partners devise laterally."

"Evan is a highly motivated and knowledgeable individual. His work at Blue Fang was vital to the successful completion of multiple projects that he was assigned to. All of Evan's work was of the highest quality as demanded of him at Blue Fang. I recommend Evan for any entry level position in the industry, he is a hard worker and a quick learner and can easily adapt to whatever situation is set before him. It was an honor and a privilege to work with Mr. Goncalo and I look forward to doing so in the future."

— **Troy Annichiarico**, *QA Lead, Blue Fang Games*, managed Evan at Blue Fang Games

"I was lead engineer on the 1 title Evan and I worked together on at Blue Fang games -I'm pretty sure his title was lead QA tester. He has good technical, writing, and communication skills. Evan is very a conscientious worker and I appreciated what he brought to the team. Recommended!"

— **Chris Tohline**, *Senior Software Engineer, Blue Fang Games*, worked with Evan at Blue Fang Games

"I have worked with Evan at Turbine and Blue Fang Games and he is a great guy to have on your team both from a professional and personality standpoint. Evan has a very positive attitude and he is certainly one of the more motivated people I have worked with, always helpful and willing to go the extra mile. Those attributes, together with his creativity and knowledge of games will make him a plus on any design team he is part of. His organizational skills were very valuable to the marketing effort for The Lord of the Rings Online and his Quality Assurance work in both companies has helped raise the bar on products shipped. I look forward to working with him in the future."
